TEXT

When Emma came back home from work as a policewoman in the crowded streets of London yesterday evening, she was very tired. Her husband wasn't **there** yet. She went to the kitchen and she started to prepare a soup for dinner. Then, she went to her bedroom. Emma wanted to relax a little. Yet she quickly slept, forgetting to switch off the gas cooker. Suddenly a fire began in the kitchen and started to spread to the other rooms.

When **she** saw the fire, the pet cat Prissy made strange loud noises near the sleeping Woman. But Emma was so tired that she did not want to wake up. Prissy made louder noises and then she jumped on Emma's chest and started licking her face until Emma opened her eyes and saw the smoke in the house. Emma was very scared when everything around her was burning. She had just time to run away from the house with Prissy and to shout for help. What Prissy did was really heroic and exceptional. She saved Emma's life. Emma was proud of her smart cat.
