

End- of -term Test N°1

...../20

The text

Mike is 14 years old.He is a pupil at Richmond school Manchester.Every day he gets up at five o'clock in the morning because he has a part time job from half past five to half past eight.He leaves his house at 5.15 to go to the office where there are newspapers.He must distribute them before nine because school starts at nine.Mike earns about 70 pounds per month.He spends some of it on clothes and records and he saves the rest to go to college when he's older.Mike lives with his mother and two sisters.His father died when he was very young.  
He had an accident.Before the father's death.Mike's mother didn't work.Her husband bought everything for them .  
 But now,she must work to support her family.Mike sometimes helps her.
